1. Invitation to attend the CIVA Plenary Meeting 2024

The CIVA Bureau is pleased to announce that the 2024 CIVA Plenary Conference will be held as a physical assembly in Athens. Meeting our colleagues in person will be a pleasure, a great opportunity for a fruitful exchange of ideas for the good of our sport.

Since this will be a physical meeting, according to FAI rules, voting rights are held solely by NACs which are represented at the Plenary Conference by a Delegate or an Alternate Delegate who is present at the time of voting, or NACs which have given their proxy to a NAC whose Delegate or Alternate Delegate is physically present at the time of voting. Proxy votes are limited to one per present NAC and must be pre-authorized by FAI (ByLaws 3.3.2, Statutes 3.6.1.2.4) – contact FAI via commissions@fai.org to obtain a copy of the required Proxy registration form.

NACs are cordially invited to send their CIVA Delegates, Alternate Delegates and Observers to the 2024 CIVA Plenary Conference.

We look forward to seeing you all in Athens in November. The conference itself will commence on Saturday November 2nd at 09:00.

6. Accommodation

A block reservation for 25 bedrooms has been made at the **Dekelia Hotel** and 50 rooms at the **Kastri Contemporary Hotel**. Hotels are located about 10 minutes apart by car. Transportation from the hotels to the Airbase is provided by the organiser with minibuses.

- **Dekelia Hotel:** Single Room €95; Twin Room €105 (Breakfast included) + €3 per night “residence tax”. <https://www.dekeliahotel.gr/>
- **Kastri Contemporary Hotel:** Single Room €135; Twin Room €150 (Breakfast included) +€7 per night “residence tax”. <https://domotel.gr/kastri-athens/>

We have decided to have two choices of hotel so that you can choose which one is more to your liking. Hotel reservations should be made by Delegates, Alternate Delegates, Observers and other attendees of the CIVA Plenary Meeting 2024 directly to the hotels by email or phone mentioning “**CIVA MEETING 2024**”.

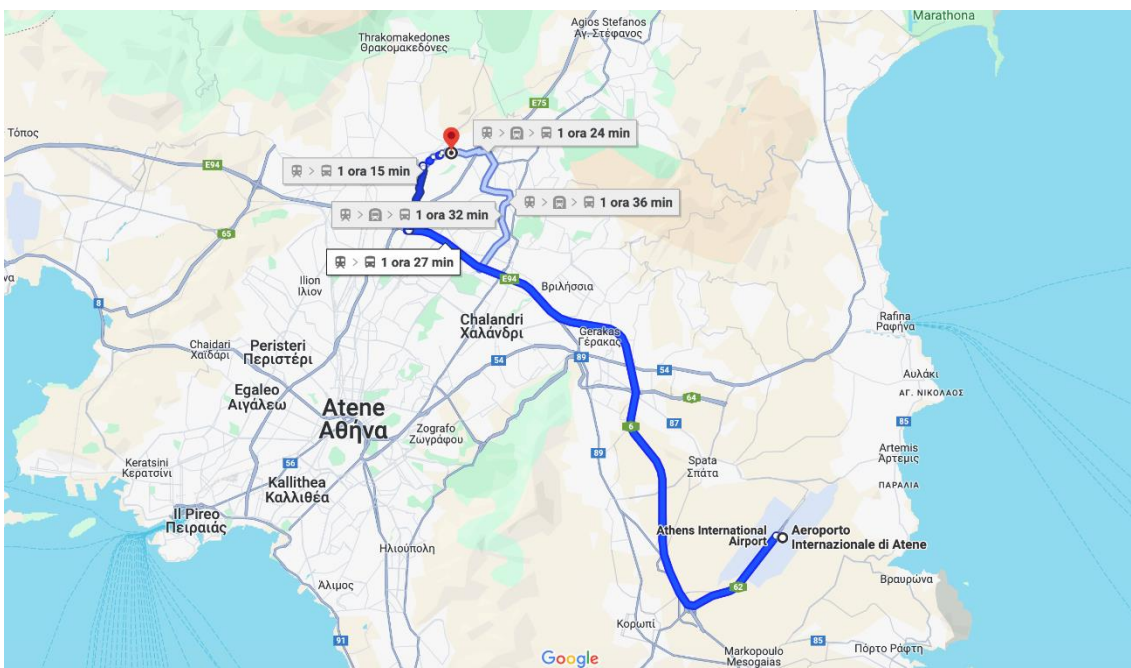

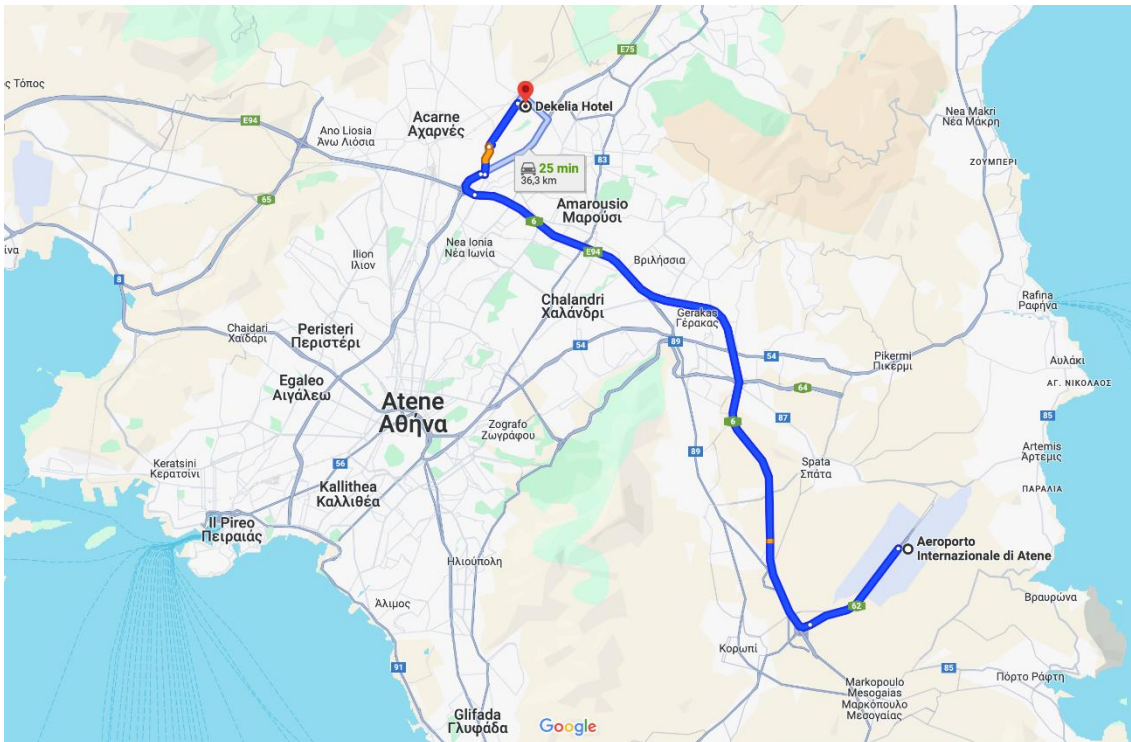

Please ensure that this is done **before October 1st, 2024 (we highly recommend doing it earlier)**, in order to guarantee the above preference rate and availability.

Payment for conference accommodation at this special rate must be made by you separately for each person and is not included in the EUR 300 Conference Fee.

7. Travelling to the hotel and conference location

The most convenient airport to travel to is Athens Elefterios Venizelos Airport (ATH). The bus and the train stations are within the airport area and there is only a very short walk from the arrival hall.

We suggest taking a taxi from the airport to Dekelia Hotel and to Kastri Contemporary Hotel, as this is the shortest way.

11. Athens and environment

Athens is one of the world's oldest cities, with its recorded history spanning over 3,400 years, and its earliest human presence beginning somewhere between the 11th and 7th millennia BC. According to Greek mythology the city was named after Athena, the ancient Greek goddess of wisdom, but modern scholars generally agree that goddess took her name after the city. Classical Athens was one of the most powerful city-states in ancient Greece. It was a centre for democracy, the arts, education and philosophy, and was highly influential throughout the European continent, particularly in Ancient Rome. For this reason, it is often regarded as the cradle of Western civilization and the birthplace of democracy in its own right independently from the rest of Greece.

In Athens is also situated the Hellenic Air Force Museum. The museum collects, restores and provides access to monuments of aviation technology, takes care to preserve the aviation character of the place and conducts educational and scientific activities.
